PROFILE

SEO leader with 15+ years building and monetising websites, alongside agency experience since 2023. Lead SEO strategy and delivery across 15 client accounts and run a 44-site owned portfolio. Built an agency AEO/GEO service from the ground up, combining technical SEO, semantic content and AI-search measurement. Bring a 12-year B2B sales background to client relationships and SEO roadmaps focused on leads, conversions and revenue.

SELECTED IMPACT

- **AI-search growth:** 4,200+ AI-assistant referral sessions over three months, measured in GA4, following growth from near-zero over a year; 12 AI-sourced conversions (key events) on one lead-generation site.
- **Technical delivery:** Built a 27,000+ page programmatic SEO platform and further projects of 7,400 to 14,400+ pages across the owned portfolio.
- **Agency development:** Built the AEO/GEO service framework supporting a 15-client portfolio and launched YouTube SEO as an additional service line.

AGENCY EXPERIENCE

SEO Growth Manager | Figment Agency

Remote | Mar 2024 - Present

- Lead technical SEO, content strategy and AI-search visibility across 15 client accounts, owning roadmaps, performance reporting, client presentations and development handovers.
- Built the AEO/GEO service from the ground up: AI-visibility audits, citation-gap tracking, entity mapping, answer eligibility, structured-data recommendations and prioritisation.
- Manage an SEO pod and coordinate writers across accounts, covering capacity planning, quality control, client communication and delivery standards.
- Developed a method to identify missing or inconsistent brand and entity signals across Google AI Overviews, ChatGPT, Perplexity, Microsoft Copilot and Gemini.
- Launched YouTube SEO as an agency service, defining the strategy, rollout and client-facing positioning.

SEO Executive | Totalsurf

Reading | Oct 2023 - Mar 2024

- Managed end-to-end SEO for six concurrent clients, from technical audits and keyword research to content strategy, on-page optimisation and link acquisition.
- Created an SEO reporting framework adopted as the agency standard; worked with clients and internal teams to prioritise findings and implement changes.

INDEPENDENT SEO EXPERIENCE

Founder and Independent SEO Consultant

Self-employed | 2011 - Present

- Built and monetised 44 owned sites across affiliate, lead-generation, local SEO, display advertising and product-led models.
- Developed programmatic SEO platforms using structured datasets, automated XML sitemaps, internal-linking systems and page-level JSON-LD.
- Grew and measured AI-assistant referral traffic across ChatGPT, Copilot, Perplexity, Gemini and Claude.
- Addressed a decline of 60,000+ monthly search impressions through 635 redirect fixes and enrichment of 200+ thin pages.
- Deployed 25 structured-data schemas, including Service, FAQPage and Article, through a single Google Tag Manager implementation for a retained hospitality client.
- Built supervised SEO automation with Claude Code, Codex, GitHub Actions, Astro and Cloudflare, using validation gates and pull requests to review deployments.
